

Technical drawing of a circular reinforced concrete slab (R1400) with a central circular opening (R400). The drawing shows a grid of reinforcement bars (Ø10 Bst500 s.~200) and includes orientation markers (N, S, W, E) and a scale bar (1).

Technical drawing of a circular reinforced concrete slab (R1700) showing a grid of reinforcement bars (d10 Bst500) and dimensions. The drawing includes a north arrow (N), a south arrow (S), and a compass rose indicating North (N), South (S), East (E), and West (W). The grid is labeled with '3/28' and 'd10 Bst500 solis ~ 200 mm'. The radius is indicated as 'R1700'.
